

Northwest Sector 2004 NPI Priority Report Neighborhood: Aurora-Licton

Listing of Sub-Activity Priorities, Grouped by Neighborhood, Sorted by priority number

Matrix	PR-5
Activity	Preserve and enhance wetlands and riparian corridors throughout the planning area.

Priority Top

Status: Closed

Sub-Activity Support and encourage Pillings Pond Preservation project.

Summary Parks Department finds that this project is not feasible to undertake due to health concerns regarding fecal coliform and maintenance/operations costs. SPU supports this project, but has no drainage role to play on this property. A committee of the Licton Springs Community Council continues to explore other options for preserving the pond, such as establishing a view easement designation. They have approached King County/Metro for possible funding.

Implementors
